## LONDON TAXI INDUCTION & ASSESSMENT

The DSA are no longer carrying out Drive or Wheelchair Assessments for newly qualified Taxi Drivers. As a result many drivers are getting their badges unsure about what they do in the event of picking up wheelchair users or even how to drive a taxi. Because of this many cab garages are refusing to rent to newly qualified drivers. Therefore to combat these issues Knowledge Point School has introduced a London Taxi Induction and Wheelchair Induction and Assessment.

### **Induction and Assessment includes:**

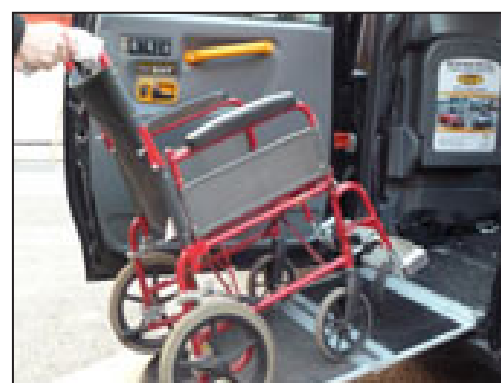

- Initial Driving Assessment with qualified DSA instructor
- Driving Lesson in a London Taxi
- Wheelchair Assessment

### **PLUS**

- The use of our taxi for the lesson and assessment
- Certification
- The benefit of years of experience

### **Cost of the Induction and Assessment:**

Tuition Fee .....	£45.00
Wheelchair Assessment.....	FREE
<b>Total Package.....</b>	<b>£45.00</b>
